Name of the Course: DSC - I: Indian Economy I

Part: B. A. I (NEP 2020 - 2.0)

Semester: I

Credits: 04

Outcomes of the course

After completion of this course learners will be able to;

- 1) Understand salient features of Indian Economy
- 2) Understand salient Features as an Emerging Economy.
- 3) Understand importance of the concept Inclusive Growth and Sustainable Development.
- 4) Understand Challenges before Indian Economy

Name of the Course: OE - I: Economics of Indian Agriculture

Part: B. A. I (NEP 2.0)

Semester: I

Credits: 02

Outcomes of the course

After completion of this course learners will be able to;

- 1) Students will come to know the Salient Features of Indian Agriculture
- 2) Students will come to know the Importance of Indian agriculture
- 3) Students will come to know the causes of farmers indebtedness and suicide.
- 4) Students will come to know Constraints in Agricultural Development

Name of the Course: SEC - I: Finance and Banking

Part: B. A. I (NEP 2020 - 2.0)

Semester: I

Credits: 02

Outcomes of the course

After completion of this course learners will be able to;

- 1) Understand the basic financial and banking concepts.
- 2) Well verse with e-banking services and online banking.
- 3) Learn how to manage their money effectively and improve their overall well-being.

Name of the Course: Major - III: Macro Economics

Part: B. A. II (NEP 2020 - 2.0)

Semester: III

Credits: 04

Outcomes of the course

After completion of this course learners will be able to;

- 1) Students will come to know the meaning and importance of Macro Economics
- 2) Students will come to know meaning and different Concepts of National Income
- 3) Students will come to know meaning of Money and value of Money
- 4) Students will come to know some theories of employment

Name of the Course: Major - IV: Money and Banking

Part: B. A. II (NEP 2020 - 2.0)

Semester: III

Credits: 04

Outcomes of the course

After completion of this course learners will be able to;

- 1) Students will come to know the meaning and importance of Macro Economics
- 2) Students will come to know meaning and different Concepts of National Income
- 3) Students will come to know meaning of Money and value of Money
- 4) Students will come to know some theories of employment

Name of the Course: Minor - I: Principles of Co-operation I

Part: B. A. II (NEP 2020 - 2.0)

Semester: III

Credits: 04

Outcomes of the course

After completion of this course learners will be able to;

- 1) Students will come to know meaning of Co-operation
- 2) Students will come to know importance of Co-operation
- 3) Students will come to know role of co-operative Auditor

- 4) Students will come to know role of state in co-operation

Name of the Course: OE - III: Sustainable Development III

Part: B. A. II (NEP 2020 - 2.0)

Semester: III

Credits: 02

Outcomes of the course

After completion of this course learners will be able to;

- 1) Students will come to know the meaning and features of Sustainable Development
- 2) Students will come to know the Indicators of Sustainable Development
- 3) Students will come to know Importance of Sustainable Development
- 4) Students will come to know Indicators and Importance of Sustainable Agriculture

Name of the Course: VSC - I: Agriculture Marketing

Part: B. A. II (NEP 2020 - 2.0)

Semester: III

Credits: 02

Outcomes of the course

After completion of this course learners will be able to;

- 1) To understand the various concepts of agricultural marketing.
- 2) To acquaint the students with various marketing institutions of agricultural marketing

Name of the Course: SEC - III: Financial Literacy

Part: B. A. II (NEP 2020 - 2.0)

Semester: III

Credits: 02

Outcomes of the course

After completion of this course learners will be able to;

- 1) Understand the basic financial concepts.
- 2) Enhance the knowledge base in terms of financial literacy.
- 3) Learn how to manage their money effectively and improve their overall well-being.

Name of the Course: IKS: Ancient Economic Thoughts

Part: B. A. II (NEP 2020 - 2.0)

Semester: III

Credits: 02

Outcomes of the course

After completion of this course learners will be able to;

- 1) Acquaint with the basic fundamental nature of historic background of Indian economic thoughts.
- 2) Capable to analyse the ancient economic thoughts with modern economic thoughts

Name of the Course: Paper - VII: Principles of Micro Economics

Part: B. A. III (NEP 2020 - 1.0)

Semester: V

Credits: --

Outcomes of the course

After completion of this course learners will be able to;

- 1) **understand the Nature and Scope of Economics and Micro Economics**
- 2) understand consumers behaviour in the market
- 3) **understand producer decision making and producer behavior**
- 4) derive revenue and cost figures as well as curves

Name of the Course: Paper - VIII: Economics of Development

Part: B. A. III (NEP 2020 - 1.0)

Semester: V

Credits: --

Outcomes of the course

After completion of this course learners will be able to;

- 1) understand the basic concept of economic development
- 2) understand the indicators of economic development.
- 3) know the theories of economic development
- 4) understand importance of human capital and capital formation

Name of the Course: Paper - IX:

Part: B. A. III (NEP 2020 - 1.0)
